Washroom Cubicles Delivered to your door in Coventry...

Whether your Cubicles requirement is large or small, at RDM we can provide washroom cubicle solutions for all size of pockets. Our complete range of Washroom Cubicles has every option covered and for all manner of business environments including Leisure, Schools, Hotels, Hospitals or commercial office and industrial spaces.

Our entry level cubicle; providing quality and value for money, begins with the 'Severn' Range which is finished in moisture resistant MFC and comes with a wide choice of colours. Or, for a little more, you may want to consider the more durable 'Avon' Range (Solid Grade Laminate). Finally, our Premier Range combines both MFC and SGL options but with a more robust metal frame finish.

All RDM Cubicles are available with full IPS and panelling supplied. Installation is also available upon request.

For more information, contact RDM Cubicles on **01384 884482** or complete our quick **enquiry form** today.
